Submission to City of London Governance Task Force

October 16, 2008

OPPORTUNITY / ISSUE

This report is submitted by the London Public Library Board to the City of London Governance Task Force (GTF) in response to the GTF draft recommendations, including recommendations that directly affect the composition and manner of appointment of London Public Library Board Members. The GTF recommendations include a recommendation to reduce the number of elected municipal officials appointed to the board from 3 to 1. As well, the GTF recommends one nomination from The Chamber of Commerce, one nomination from the Urban League and one nomination from Dean of the Faculty of Information and Media Studies. No mention is made of the members from the school boards.

The members of the Library Board expressed interest in providing input to the GTF in response to the request by Grant Hopcroft (Director of Intergovernmental and Community Liaison CAO's Office, City of London), forwarded to the Library Board on September 22, 2008. At its meeting of October 15, 2008, the London Public Library Board approved the guiding principles and recommendations below.

As part of its research process, the committee sought information from the Libraries Branch of the Ontario Ministry of Culture.

BACKGROUND

Public library boards are governing boards, legal corporations with the authority to make policy and to govern the library's affairs under Ontario **Public Libraries Act**, R.S.O. 1990, c. P. 44. A board's duty is to provide comprehensive, effective and efficient public library service that reflects the community's needs and builds community capacity. The board also ensures that citizens have the best possible library service within available finances.

The primary roles of the London Public Library Board are to:

- Set the vision, mission and strategic direction for the library and, using strategic planning techniques, determine a strategy map to get there;
- Make policy within the framework of government legislation and regulations;
- Oversee the library's finances in accordance with public accounting principles and requirements and within municipal budget policy and procedures;
- Monitor overall effectiveness of the library in meeting community needs in an efficient and effective manner and evaluate progress on the strategic plan;
- Set fees where allowed by the Public Libraries Act; and
- Hire and evaluate a qualified Chief Executive Officer to implement the strategic plan and to manage the day-to-day delivery of public service and daily operations of the library.

The Library Board has the authority to act on behalf of the library; individual board members have no authority to act on their own.

Legislative & Governance Context

The composition and membership of a public library board is defined in **Public Libraries Act**, R.S.O. 1990, c. P. 44. ss. 9 and 10 which prescribes the composition of a public library board, number of board members and number of council members on the board. It no longer prescribes school board representation.

See: **Appendix 2: Public Libraries Act Excerpt.**

The library board is also subject to the Ontario **Municipal Act 2001**, S.O. 2001, Chapter 25.

See: **Appendix 3: Municipal Act Excerpt**

In 2001, changes to the Municipal Act and the corresponding changes to the Public Libraries Act resulted in changes to the composition and membership requirements.

The Ontario ***Municipal Act 2001***, Section 216 “Dissolution and Change of Boards” also defines the power of municipal council to change local boards. According to information provided by the Ministry of Culture, the language in s.216 ensures that changes are in concordance with the ***Public Libraries Act***.

FAQ documents are provided on the Ministry of Culture website to provide information on the legislation, including impact of changes:

The composition of the London Public Library Board is enacted by City of London A.-6039-645 “A By-law Respecting the Composition of the London Public Library Board,” passed in Open Council on October 23, 2006 and which came into force and effect on December 1, 2006.

Library Board Governance Policy

The London Public Library Governance Policy articulates the core work of the Library Board.

See: **Appendix 4: LPL Governance Ends Policy (G1)**

See: **Appendix 5: LPL Governance means Policy (G4)**

GUIDING PRINCIPLES

The London Public Library Board has developed the following as the basis of its feedback/input to the Governance Task Force.

The Library Board requires that the composition of the board ensures that its membership is:

- Diverse – representing a variety of values, viewpoints, perspectives and opinions;
- Representative – representing a variety of constituencies; and
- Functional – representing a range of competencies, skills and knowledge.

In order to support this, the Library Board recommends that the total number of members remains at nine (9) trustees.

The Library Board, by motion of the board, recommends the following guiding principles.

Citizen Engagement

Reasonable efforts shall be made to invite and encourage citizen participation and engagement in order to ensure that

- LPL's Vision, Mission and Value Promise reflect and align with the needs and expectations of Londoners, the city of London and communities within London; and
- Participation is accessible to all citizens, including the so-called "person on the street".

Sector Representation

Reasonable efforts shall be made to ensure that the library board has representation from a broad range of sectors including, for example:

- Education, e.g. school boards, university, college;
- Business;
- Community Services;
- Voluntary;
- Arts, Heritage and Culture;
- Government, e.g. municipal government; and
- Community-at-large; that is, people who value and use the library, but have no specific community or organization affiliation.

Organizations representative of a sector, or whose members are representative of a sector, shall be encouraged to submit nominations with the final right of appointment remaining with the municipality.

Controller/Councillor Representation

City councillors bring invaluable experience and community links to the Library Board. They ensure that the board is aware of the fiscal and political environment, including opportunities, challenges and fiscal restraints, and that council understands the value of library service to the citizens of London. It is recognized that Controllers and Councillors have a heavy workload and demands on their time.

Thus, reasonable efforts shall be made to balance councillor representation while taking into consideration the scheduling of library board meetings and scheduled activities in order to ensure:

- Effectiveness of board operations; and
- Efficiency of scheduling.

It is specifically recommended that two (2) councillors be library board members.

Diversity

Reasonable efforts shall be made to ensure that applications for board members are sought and considered from a variety of language, cultural, age, ability, gender, socioeconomic, etc. backgrounds, representing the demographic nature of London in order to:

- Facilitate inclusivity, equity and the elimination of discrimination in the City of London**; and
- Engender a stronger understanding of the needs of the city's (London's) diverse populations in providing library services.

** The Ontario ***Human Rights Code***, R.S.O. 1990, Chapter H. 19 states: "the creation of a climate of understanding and mutual respect for the dignity and worth of each person so that each person feels a part of the community and able to contribute fully to the development and well-being of the community and the Province".

Fiduciary Responsibility

Every effort shall be made to ensure that all Library Board Trustees can be fully participating members of the board who are able to act in the best interests of London Public Library as required by the Ontario ***Public Libraries Act*** and other legislation governing the actions of the board and the library.

Competencies and Skills

Reasonable efforts shall be made to ensure that appointed candidates possess the core competencies and qualifications deemed to be essential in order that:

- Library Trustees are successful in achieving ends, means, roles and accountabilities of the Library Board; and
- The Vision, Mission and Value Promise of the library to the community.

Competencies and skills required to achieve the above include:

- Conviction that the public library is essential and uniquely important to the life of all Londoners and communities within London;
- Commitment to London and Londoners through active service to the community;
- Leadership experience;
- Business acumen;
- Ability to seek and listen to input from all stakeholders;
- Ability to approach people and problems with an open mind;
- Ability to actively participate in discussion and deliberation and to attain positive outcomes; and
- Time and energy.

See **Appendix 1: London Public Library Board Trustee Position Description.**

Efficient, Transparent and Accountable Appointment Process

Reasonable efforts shall be made to ensure that public library board appointments are efficient, transparent and accountable by

- Ensuring that appointment is a representative, democratic process based on clearly defined structures and processes;

- Ensuring that all associated processes are open and transparent as is required of public sector organizations/government; and
- Cutting unnecessary “red tape” and eliminate unnecessary rules and regulations per amendments to the **Public Libraries Act** contained in the **Government Efficiency Act, 2002**.

Rights and Responsibilities of Council/Authority for Appointments

Under the legislation, the authority for appointment to the Library Board rests with the municipal government. This authority brings the responsibility to ensure:

- Citizen engagement and participation;
- Stakeholder representation;
- Balanced Controller/Councillor representation;
- Trustee Fiduciary responsibility;
- Trustee competencies and skills; and
- Efficient, transparent and accountable appointment process.

The above draft guiding principles are consistent with the values identified in the City of London, **Council Strategic Plan, 2007-2010**:

- Citizen Engagement;
- Open and Accountable Government
- Respect and Integrity; and
- Fiscal Accountability.

Other Considerations

The Library Board also recommends the following be given consideration:

- Need for the Striking Committee to be representative of the community-at-large; and
- Timing of Board appointments to ensure continuity, succession planning; etc.

APPENDIX 1: LONDON PUBLIC LIBRARY BOARD TRUSTEE POSITION DESCRIPTION (August 2008)

London Public Library Board Trustee Position Description

Library Board

Public Library Boards are governing boards, legal corporations with the authority to make policy and to govern the library's affairs under the **Public Libraries Act**, RSO 1990, c. P.44.

A board's duty is to provide comprehensive, effective and efficient public library service that reflects the community's needs and builds community capacity.

The stakeholders of today's libraries expect strong leadership. Consequently modern governance must reach beyond ongoing budget oversight and a regular strategic planning exercise to embrace new ideas, and forge strong relationships that will support the library in its **Vision, Mission** and **Value Promise** to the community.

Responsibilities

The primary roles of the London Public Library Board are to:

- Set the vision, mission and strategic direction for the library and, using strategic planning techniques, determine a strategy map to get there;
- Make policy within the framework of government legislation and regulations;
- Oversee the library's finances in accordance with public accounting principles and requirements and within municipal budget policy and procedures;
- Monitor overall effectiveness of the library in meeting community needs in an efficient and effective manner and evaluate progress on the strategic plan;
- Set fees where allowed by the Public Libraries Act; and
- Hire and evaluate a qualified Chief Executive Officer to implement the strategic plan and to manage the day-to-day delivery of public service and daily operations of the library.

The Library Board has the authority to act on behalf of the library; individual board members have no authority to act on their own.

London Public Library Trustees

Values

As a member of a library Board, a trustee must act honestly and in good faith and in the best interests of the library. This means that the interests of the library take precedence over personal interests or those of any group with which the trustee is associated.

Trustees are required to conduct themselves in accordance with the **London Public Library Mutual Respect Policy**, which states at London Public Library believes that it is the right of all employees, Board members, volunteers and any person having a relationship with the Library to be treated with dignity and respect. The Library is committed to providing a working environment which promotes mutual respect, provides equal opportunities and is free from harassment.

Trustee Roles

Along with the governance, legal and fiscal roles, Library Board Trustees are expected to support and participate in community engagement by:

- Establishing the library as an essential community service;
- Building community pride in the library;
- Advocating the library's role in the community;
- Maintaining an open dialogue with the community;
- Building strong relationships with municipal council;
- Being aware of the municipal planning context; and
- Developing strategic partnerships with community groups and leaders.

In order to fulfill the above, London Public Library requires a well-rounded Library Board with competent, experienced trustees. The trustee's job is not an easy one: it requires the ability to work towards a vision and to think in broad, future oriented terms while maintaining a commitment to move vision to reality. This requires understanding and discussing the philosophical aspects of library service while implementing the necessary governance measures to achieve desired services. A good trustee keeps the overall vision, mission and value promise in mind while acting strategically.

The person appointed to the Library Board must be

- a Canadian citizen;
- at least 18 years old;
- a resident of London; and
- not employed by the Library Board or the Municipality.

Essential Competencies & Qualifications

The essential core competencies and qualifications for a London Public Library Trustee are:

- Conviction that the public library is essential and uniquely important to the life of all Londoners and communities within London;

- Commitment to London and Londoners through active service to the community;
- Leadership experience;
- Business acumen;
- Ability to seek and listen to input from all stakeholders;
- Ability to approach people and problems with an open mind;
- Ability to actively participate in discussion and deliberation and to attain positive outcomes; and
- Time and energy.

Time Commitment

The Library Board holds 10 regular monthly meetings a year: January – June and September – December inclusive. The time commitment includes: preparation time to read and consider reports and other information in the meeting package, and the meeting time of approximately 3 hours.

On occasion, Board members are also required to participate in public participation meetings designed to seek public input on key library matters.

Board members are expected to represent the library on committees such as the Ontario Library Boards' Association, Southern Ontario Library Service, etc. Time commitments vary according to the committee.

Board members may also elect to participate on "ad hoc" committees of the board which are established to deal with specific matters such as the hiring of the CEO or drafting specific policy.

Compensation

Library Board Members are not compensated for time required to participate in the above activities.
