### Recommendation

It is recommended that this report be received.

### Background

The Balanced Score Card (BSC) Metrics provide a quarterly measure of specific indicators that measure the progression to the successful achievement of the Library's Strategic Plan.

The BSC has four components:

- Customer Perspective
- Internal Perspective
- Learning & Growth Perspective
- Financial Perspective

Consistent with the Board's adopted governance model, the Customer Perspective and the Financial Perspective will be presented to the Board on a quarterly basis, along with analysis and report on future actions.
