Dear Ms. Baker:

Thank you for your letter regarding the initial proposed accessible employment standard.

This standard was developed by a committee representing the disability and business communities, in addition to municipalities. Input received from the public review will help shape the committee's final proposed accessible employment standard for the government's consideration. To ensure your feedback is incorporated for the standards development committee's review, I am forwarding this information to the Accessibility Directorate of Ontario.

Making Ontario accessible to people with disabilities by 2025 is a big undertaking and we all have a role to play. By working together to improve accessibility, I am certain we can build a province that includes everyone.

I appreciate your dedication to breaking down barriers for people with disabilities.

Sincerely,

Madeleine Meilleur
Minister
