Chair and Members
London Public Library Board
251 Dundas Street
London ON N6A 6H9

I hereby certify that the Municipal Council, at its session held on August 31, 2009, resolved:

That the following emergent motion **BE REFERRED** to the London Public Library Board for report back to the Board of Control in September 2009 with respect to:

- (a) the current policies that are in place relevant to this matter;
- (b) the background and process that was followed in establishing the above-noted policies, including the implications thereof; and
- (c) how the London Public Library Board is responding to technological changes in this area.

The emergent motion reads as follows:

"That the London Public Library Board **BE ENCOURAGED** by the Municipal Council to :

- (a) conduct a series of public meetings at the various Library branches to hear the views of Londoners with respect to the standards they would like to see established pertaining to use of Library computers by the public, including children; and
- (b) taking into consideration the input arising from the public meetings noted in (a), above, review their Internet Service Policy and any other relevant policies or guidelines for use of Library computers by the public, to ensure they are reflective of the wishes of the general public."
