Svetlana

This letter is follow up to our recent conversation. For personal reasons, I am resigning from the Board of Directors of the London Public Library, effective immediately.

It has been a privilege to work on the Board. I trust the timing of this message offers a sufficient recruitment window prior to the Board reconvening in September.

I wish you and the Board all the best for the future. I am grateful for the opportunity to have served the Library and my community in this volunteer role.

Kind regards,

Jo Deslippe
