Re: 5<sup>th</sup> Anniversary of The Library Store

Dear Friends of the Library:

It has recently come to my attention that on August 8 The Library Store will be celebrating its Fifth Anniversary!!

It is a remarkable story that an endeavour like this, with all the thought and time consuming activity it entails, has been notably successful for this length of time, and that it continues to strengthen and become an important part of what the library offers. Particularly amazing is the fact that it is completely managed and operated by volunteers only! You are doing what others can only hope to achieve.

The benefits of the book store to the library system are many, and, yet, you do not in any way draw away from the Library's resources in the process. You only add to them. That is quite a feat in today's business and service provider climate.

On behalf of the Library Board of Directors, I want to congratulate you on your outstanding work. It benefits the Library and the greater community of which we are an integral part. We hope you continue to find satisfaction in your work through your understanding of its importance. We look forward to many more years of working with you and The Library Store.

Sincerely,

Jan Lubell  
Chair  
Board of Directors
