**Dot Sticker Snowflake**
(Ages 2-6)

This activity will help to develop and strengthen your child’s fine motor skills. Using their hands to grab the dots and place them along the lines of their snowflake, your child will be challenged while also creating a unique piece of art!

**Materials Included:**
- Data Dots
- White paper

**Materials Not Provided:**
- Writing tool (marker, crayon, pen, etc...)

**Instructions:**
1. Using the snowflake below for inspiration, draw the lines of your snowflake on the white paper.
2. Place the data dots along the lines of the snowflake.

**Activity Tip!** A good way to remain engaged is to sit with your child and help them stick the dots.

**Let’s Talk!**
- Can you think of a pattern for arranging your dots?
- How close do you want your dots to be?
- How far away from each other?
- How many dots do you think you will need to use?
